EXPERIENCE

Hannah Vo Creative

Freelance Graphic Designer & Visual Communicator
2020–Present | Remote

- Design landing pages, pitch decks, and digital assets for creative professionals and educators.
- Deliver concept-driven solutions tailored to each client's brand voice and communication goals.
- Manage full design workflow—from creative brief, ideation, layout, to final asset delivery.
- Apply photo editing and retouching to enhance visual content across digital platforms.

Royal LePage Signature Realty

Graphic Design Intern
2025 | Canada

- Designed print and digital materials such as brochures, presentations, logos, and social ads.
- Partnered with agents in brainstorming to refine briefs and align on creative direction.
- Consistently recognized by clients for high-quality work under tight timelines.

Rufus & Cooper

Photo Retoucher
2021-2023 | Australia & Remote

- Retouched high volumes of fashion eCommerce imagery with accuracy and brand consistency.
- Organized assets using Adobe Bridge and worked cross-functionally with production teams to troubleshoot quality issues.

Prue Aja Photography

Retoucher & Photography Assistant
2020-2021 | Australia

- Edited portraits and brand visuals using Adobe Capture One; supported on-set with lighting and client logistics.
- Ensured smooth creative production and consistently maintained high-quality outputs for visual storytelling.
